## FACTS AND PROCEDURE

The applicant, B.Y. was born in 1940. She was represented by Ms E. Kriona Saranti, a lawyer practising in Athens.

The applicant's complaints under Articles 3 and 13 of the Convention concerning the conditions of her detention and the existence of an effective remedy in respect of her complaint that her removal to Türkiye would expose her to a real risk of being subjected to treatment contrary to Article 3 of the Convention, as well as under Article 5 § 2 of the Convention concerning her right to be informed promptly, in a language she understands, of the reasons for her detention, were communicated to the Greek Government ("the Government"), who submitted observations on the admissibility and merits. The observations were forwarded to the applicant, who was invited to submit her own observations.

By her observations submitted in respect of applications nos. 39926/20 and 40725/20 dated 16 October 2024, the applicant's representative informed the Court that she had lost contact with the applicant and would not submit observations in relation to her.

Accordingly, the case should be struck out of the list.

For these reasons, the Court, unanimously,

*Decides* to strike the application out of its list of cases.
