Mikhail Lobov, *judges,*
and Viktoriya Maradudina, *Acting Deputy Section Registrar,*

Having regard to the above applications lodged on the various dates indicated in the appended table,

FACTS AND PROCEDURE

The list of the applicants is set out in the appendix.

The applicants' complaints under Article 5 § 3 of the Convention concerning the excessive length of pre-trial detention were communicated to the Russian Government ("the Government"). Some applicants also raised other complaints under the Convention (see appended table).

By letters, dated as indicated in the appended table, sent by registered post, the applicants were requested to provide information concerning further developments in their respective cases. The applicants' attention was drawn to Article 37 § 1 (a) of the Convention, which provides that the Court may strike an application out of its list of cases where the circumstances lead to the conclusion that the applicant does not intend to pursue the application. However, no replies from the applicants were received to the Registry's letters.

THE LAW

Having regard to the similar subject matter of the applications, the Court finds it appropriate to examine them jointly in a single decision.

In the light of the foregoing, and in the absence of any special circumstances regarding respect for the rights guaranteed by the Convention and the Protocols thereto, the Court, in accordance with Article 37 § 1 (a) of the Convention, considers that it is no longer justified to continue the examination of the applications.

Accordingly, the cases should be struck out of the list.

For these reasons, the Court, unanimously,

Decides to join the applications;

Decides to strike the applications out of its list of cases.

Done in English and notified in writing on 28 July 2022.

Viktoriya Maradudina Acting Deputy Registrar	Peeter Roosma President
