EUROPEAN COURT OF HUMAN RIGHTS
COUR EUROPÉENNE DES DROITS DE L'HOMME

THIRD SECTION

DECISION

Application no. 17365/19
Petr Saidovich GIDATOV
against Russia
(see appended table)

The European Court of Human Rights (Third Section), sitting on 16 June 2022 as a Committee composed of:

Darian Pavli, *President,*
Andreas Zünd,
Mikhail Lobov, *judges,*
and Viktoriya Maradudina, *Acting Deputy Section Registrar,*

Having regard to the above application lodged on 26 April 2019,

Having regard to the formal declarations accepting a friendly settlement of the case,

Having deliberated, decides as follows:

FACTS AND PROCEDURE

The applicant's details are set out in the appended table.

The applicant's complaints under Article 8 § 1 of the Convention concerning the permanent video surveillance of detainees in pre-trial or post-conviction detention facilities were communicated to the Russian Government ("the Government"). Complaints based on the same facts were also communicated under other provisions of the Convention.

The Court received the friendly-settlement declaration, signed by the parties, under which the applicant agreed to waive any further claims against Russia in respect of the facts giving rise to this application, subject to an undertaking by the Government to pay him the amount detailed in the appended table. This amount will be converted into the currency of the respondent State at the rate applicable on the date of payment, and will be payable within three months from the date of notification of the Court's decision. In the event of failure to pay this amount within the above-mentioned three-month period, the Government undertake to pay simple interest on it, from the expiry of that period until settlement, at a rate equal to

the marginal lending rate of the European Central Bank during the default period plus three percentage points.

The payment will constitute the final resolution of the case.

THE LAW

The Court takes note of the friendly settlement reached between the parties. It is satisfied that the settlement is based on respect for human rights as defined in the Convention and the Protocols thereto and finds no reasons to justify a continued examination of the application.

In view of the above, it is appropriate to strike the case out of the list.

For these reasons, the Court, unanimously,

Decides to strike the application out of its list of cases in accordance with Article 39 of the Convention.

Done in English and notified in writing on 7 July 2022.
