EUROPEAN COURT OF HUMAN RIGHTS
COUR EUROPÉENNE DES DROITS DE L'HOMME

FIRST SECTION

DECISION

Application no. 47684/19
Marcin STEFAŃSKI-PLICHTA
against Poland
(see appended table)

The European Court of Human Rights (First Section), sitting on 18 December 2025 as a Committee composed of:

Frédéric Krenc*, President*,
Davor Derenčinović,
Alain Chablais*, judges*,

and Viktoriya Maradudina, *Acting Deputy Section Registrar,*

Having regard to the above application lodged on 1 September 2019,

Having regard to the declaration submitted by the respondent Government requesting the Court to strike the application out of the list of cases, and the applicant's reply to this declaration,

Having deliberated, decides as follows:

FACTS AND PROCEDURE

The applicant's details are set out in the appended table.

The applicant's complaints under Articles 3, 8 and 13 of the Convention about a special measure of surveillance during his detention by means of a prison officer's permanent presence outside his cell were communicated to the Polish Government ("the Government").

The Government submitted a declaration with a view to resolving the issues raised by these complaints. They further requested the Court to strike out the application.

The Government acknowledged the violation of Articles 3, 8 and 13 of the Convention regarding conditions of the applicant's detention, in particular the surveillance measures applied and lack of effective domestic remedy to challenge them. They offered to pay the applicant the amount detailed in the appended table and invited the Court to strike the application out of the list of cases in accordance with Article 37 § 1 (c) of the Convention. The amount would be converted into the currency of the respondent State at the rate

applicable on the date of payment, and would be payable within three months from the date of notification of the Court's decision. In the event of failure to pay this amount within the above-mentioned three-month period, the Government undertook to pay simple interest on it, from the expiry of that period until settlement, at a rate equal to the marginal lending rate of the European Central Bank during the default period plus three percentage points.

The payment will constitute the final resolution of the case.

The applicant informed the Court that he agreed to the terms of the declaration.

THE LAW

The Court finds that, following the applicant's express agreement to the terms of the declaration made by the Government, the case should be treated as a friendly settlement between the parties.

It therefore takes note of the friendly settlement reached between the parties. It is satisfied that the settlement is based on respect for human rights as defined in the Convention and the Protocols thereto and finds no reasons to justify the continued examination of the application.

In view of the above, it is appropriate to strike the case out of the list.

For these reasons, the Court, unanimously,

Decides to strike the application out of its list of cases in accordance with Article 39 of the Convention.

Done in English and notified in writing on 22 January 2026.
