

EUROPEAN COURT OF HUMAN RIGHTS
COUR EUROPÉENNE DES DROITS DE L'HOMME

FIRST SECTION

DECISION

Applications nos. 6773/24 and 34452/24
Robert BAKA against Poland
and Tomasz LICHOCKI against Poland
(see appended table)

The European Court of Human Rights (First Section), sitting on 2 July 2026 as a Committee composed of:

Raffaele Sabato*, President*,
Artūrs Kučs,
Anna Adamska-Gallant*, judges*,

and Viktoriya Maradudina, *Acting Deputy Section Registrar,*

Having regard to the above applications against the Republic of Poland lodged with the Court under Article 34 of the Convention for the Protection of Human Rights and Fundamental Freedoms ("the Convention") on the various dates indicated in the appended table,

Having regard to the declarations submitted by the respondent Government requesting the Court to strike the applications out of the list of cases, and the applicants' replies to these declarations,

Having deliberated, decides as follows:

FACTS AND PROCEDURE

The list of applicants is set out in the appended table.

The applicants' complaints under Article 5 § 3 of the Convention concerning the excessive length of pre-trial detention were communicated to the Polish Government ("the Government").

The Government submitted declarations with a view to resolving the issues raised by these complaints. They further requested the Court to strike out the applications.

The Government acknowledged the excessive length of pre-trial detention. They offered to pay the applicants the amounts detailed in the appended table and invited the Court to strike the applications out of the list of cases in accordance with Article 37 § 1 (c) of the Convention. The amounts would be converted into the currency of the respondent State at the rate applicable on

the date of payment, and would be payable within three months from the date of notification of the Court's decision. In the event of failure to pay these amounts within the above-mentioned three-month period, the Government undertook to pay simple interest on them, from the expiry of that period until settlement, at a rate equal to the marginal lending rate of the European Central Bank during the default period plus three percentage points.

The payment will constitute the final resolution of the cases.

The applicants informed the Court that they agreed to the terms of the declarations.

THE LAW

Having regard to the similar subject matter of the applications, the Court finds it appropriate to examine them jointly in a single decision.

The Court finds that, following the applicants' express agreement to the terms of the declaration made by the Government, the cases should be treated as a friendly settlement between the parties.

It therefore takes note of the friendly settlement reached between the parties. It is satisfied that the settlement is based on respect for human rights as defined in the Convention and the Protocols thereto and finds no reasons to justify the continued examination of the applications.

In view of the above, it is appropriate to strike the cases out of the list.

For these reasons, the Court, unanimously,

Decides to join the applications;

Decides to strike the applications out of its list of cases in accordance with Article 39 of the Convention.

Done in English and notified in writing on 27 August 2026.
