EUROPEAN COURT OF HUMAN RIGHTS
COUR EUROPÉENNE DES DROITS DE L'HOMME

FIFTH SECTION

DECISION

This version was rectified on 25 February 2016 under Rule 81 of the Rules of Court.

Application no. 22611/12
Ivan Danilovich TERLETSKIY against Ukraine
and 359 other applications
(see list appended)

The European Court of Human Rights (Fifth Section), sitting on 19 November 2015 as a Committee composed of:

André Potocki, *President,*
Ganna Yudkivska,
Síofra O'Leary, *judges,*
and Karen Reid, *Section Registrar*,

Having regard to the above applications lodged on the various dates indicated in the appended table,

Having regard to the declarations submitted by the respondent Government requesting the Court to strike the applications out of the list of cases, and the applicants' replies to these declarations,

Having deliberated, decides as follows:

FACTS AND PROCEDURE

The list of applicants and the relevant details of the applications are set out in the appended table.[1]

The applicants' complaints under Articles 6 § 1 and 13 of the Convention and Article 1 of Protocol No. 1 concerning the non-enforcement or delayed enforcement of domestic decisions were communicated to the Ukrainian Government ("the Government").

1. Rectified on 25 February 2016: the text was: "The list of applicants is set out in the appended table".

On various dates the Government submitted declarations with a view to resolving the issues raised by these complaints. They further requested the Court to strike out the applications.

The declarations provided as follows:

> "The Government acknowledge the excessive duration of enforcement of the domestic decisions, listed in the appendix to this unilateral declaration.
>
> The Government are ready to enforce the domestic decisions listed in the appendix which remain enforceable and to pay to each of the applicants the sum of EUR 1,000.
>
> The sum of EUR 1,000 is to cover any pecuniary and non-pecuniary damages as well as costs and expenses, to be converted into the national currency of the respondent State at the rate applicable on the date of settlement. The State will pay the abovementioned sum and enforce the domestic decisions, which remain enforceable, within three months from the date of notification of the decision taken by the Court pursuant to Article 37 § 1 of the European Convention on Human Rights. In the event of failure to pay this sum and to enforce the domestic decisions within the said three-month period, the Government undertake to pay simple interest on them from expiry of that period until settlement, at a rate equal to the marginal lending rate of the European Central Bank during the default period plus three percentage points.
>
> This payment and the enforcement of the above domestic decisions will constitute the final resolution of the cases.
>
> The Government therefore invite the Court to strike the applications out of the list of cases. They suggest that the present declaration might be accepted by the Court as "any other reason" justifying the striking out of the case of the Court's list of cases, as referred to in Article 37 § 1 (c) of the Convention."

The applicants informed the Court that they agreed to the terms of the declarations.

THE LAW

Having regard to the similar subject matter of the applications, the Court finds it appropriate to examine them jointly in a single decision.

The Court finds that, following the applicants' express agreement to the terms of the declaration made by the Government, the cases should be treated as a friendly settlement between the parties.

It therefore takes note of the friendly settlement reached between the parties. It is satisfied that the settlement is based on respect for human rights as defined in the Convention and the Protocols thereto and finds no reasons to justify the continued examination of the applications.

In view of the above, it is appropriate to strike the cases out of the list as regards the complaints concerning the non-enforcement or delayed enforcement of domestic decisions.

Some applicants also raised other complaints under various articles of the Convention. The Court considers that, in the light of all the material in its

possession, and in so far as the matters complained of are within its competence, these complaints do not disclose any appearance of a violation of the rights and freedoms set out in the Convention or the Protocols thereto.

It follows that this part of the applications is manifestly ill-founded and must be rejected in accordance with Article 35 §§ 3 and 4 of the Convention.

For these reasons, the Court, unanimously,

Decides to join the applications;

Decides to strike the applications out of its list of cases in accordance with Article 39 of the Convention as regards the complaints concerning the non-enforcement or delayed enforcement of domestic decisions;

Declares the remainder of the applications inadmissible.

Done in English and notified in writing on 10 December 2015.
